Is this course for me?

The NVQ in MFL is an assessment-based, flexible and personalised pathway with a business context. It has proved to make language learning far more accessible, achievable and motivating to a higher number of pupils, especially boys.

It enables MFL departments to improve results and if offered in Year 9, can increase uptake significantly at key stage 4.

Course content:

- The main features of the NVQ
- Examples of assessments and a brief overview of how they are structured
- Why it fulfils much of the New KS3 Curriculum
- Details of the training required to deliver the NVQ
- Materials and sample activities
- How your NVQ students can go on to doing fully funded overseas work experience

You take away:

- A CD-ROM of sample activities
- Comprehensive handouts

Course Directors: **Juliet Park** and **Wendy Adeniji**

Both Regional Support Advisors for the new Modern Languages Curriculum, Juliet and Wendy are experienced teachers and trainers. Juliet is Director of Modern Languages at Yewlands Technology College, Sheffield and a specialist in the NVQ. Wendy is a consultant and author of teaching materials.
